

## ENVIRONMENTAL NOTICE FOR THE UPDATED STRATEGIC ENVIRONMENTAL IMPACT STATEMENT

The Proponent Agency, Department of Natural and Environmental Resources (DNER) submitted to the Environmental Quality Agency (EQB) an Updated Strategic Environmental Impact Statement (USEIS) for the following action.

The purpose of this USEIS is to include additional information needed for the evaluation process of the proposed action as required in the Environmental Quality Board Resolution R-04-42-21. Copies of the document are available for review in the Internet at <http://www.gobierno.pr/JCA/DocumentosAmbientales/> and <http://www.drna.gobierno.pr/oficinas/arn/aqua/negociadoagua/planagua/declaracion-de-impacto-ambiental>. Copies of the USEIS will also be available for public review at EQB Regional Offices at Arecibo, Guayama, Humacao, Mayagüez and Ponce; at DNER Regional Offices in Arecibo, Aguadilla, Mayagüez, Ponce, Guayama and Humacao; EQB Central Office and DNER Library, both located in Dr. Cruz A. Matos Building, El Cinco Sector, Num. 8838 Street, 6.3Km., Venezuela Ward, Río Piedras, Puerto Rico. Written comments to the Secretary of the Department of Natural and Environmental Resources and the EQB, will be accepted within thirty (30) days after the publication of this notice. Also, during this term all those interested have the right to request public hearing to EQB during this period.
